Performance Program 2022/23

Our Performance Program is designed for players who are taking the first steps into competitive tennis. This program is designed more to give players everything they need to compete in Tournaments and that aspire to be part of our [Elite Program](#). The program looks at technique and tactics based around competing in national level events.

There is also a specific strength and conditioning coach brought in to do extra off court work with the players. They will also have access to Sport Psychologist and NLP trainer. The program runs two squads a day with an option of additional fitness session on 3 days with monthly matchplay.

Monthly Matchplay Saturday 8-10.30am
